

LONG WALKS

LONG WALK on Wednesday 23rd April

Helsby and Frodsham Hills

MEET at 9.30 in the Station Road Car Park, Neston

DISTANCE 6.0 miles

TOTAL ASCENT 400 metres

LEADER Rosemary Hollingsbee

The walk starts from the car park at Helsby Quarry not far from Junction 14 of the M56.

It is mostly through woodland and fields- the bluebells should be out when we go. There are good views towards Liverpool over the Mersey estuary to the north and the Welsh hills to the west.

It is only 6 miles, but this is deceptive because it is very hilly. However, we will have plenty of time to complete the walk so needn't rush.

There are no facilities on this walk except picnic tables at the end where we can gather for a cup of tea from our flasks.
