

LONG WALKS

LONG WALK on Wednesday 17th September

MEET at 9.30 in the Station Road Car Park

DISTANCE 6.0miles

LEADER

Chris and Anne Stone

The Walk starts from the top of the Sychnant Pass above Conway and Penmaenmawr where there is parking for around 10 cars and is 1 hour's drive from Neston along the A55 carriageway and then turning off to and through Conway.

The route is 6 miles with excellent footpaths and 3 stiles all in good order and the views are truly excellent spanning from Anglesey in the West to the Great Orme on the North Wales coast including a very scenic contour path known as the Jubilee Walk.

The walk was mildly strenuous in parts but all very doable but with a steepish final section to finish the walk back to the cars.

A mile before the end of the walk and before the steepish section we pass through the village of Capelulo with 2 pubs in situ, one the “Fairy Glen” looks very civilised!

We would however need the weather to be kind to us as the upland section of the walk is quite exposed.

Walking poles would be helpful but not a necessity.
